After The Grippe

"I am much pleased, to be able to write and thank you for what Cardui has done for me," writes Mrs. Sarah J. Gilliland, of Silver City, N. C.

"Last February, I had the Grippe, which left me in bad shape. Before that, I had been bothered with female trouble, for ten years, and nothing seemed to cure it. At last, I began to take Cardui. I have taken only three bottles, but it has done me more good than all the doctors or than any other medicine I ever took."

Take CARDUI

The Woman's Tonic

For the after-effects of any serious illness, like the Grip, Cardui is the best tonic you can use. It builds strength, steadies the nerves, improves the appetite, regulates irregularities and helps bring back the natural glow of health.

Cardui is your best friend, if you only knew it. Think of the thousands of ladies whom Cardui has helped! What could possibly prevent it from helping you? Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. It is caused out of ten cases caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

Miss Thomas was the recipient of hearty congratulations and good wishes.

On conclusion of the games Miss Catherine Gaillard was declared winner of the prize, which she graciously presented to Miss Thomas.

Delicious apricot ice cream and baked cake were served and heartily enjoyed.

Mrs. Lawrence Goldman, of Hays, Okla., was an out of town guest.

Shindie Pitches Masterly Ball at All Stages and Visitors Never Had the Ghost of a Chance.

Captain Proctor and his band, led by the gallant Shindie—who, by the way, was yesterday unanimously elected United States Senator from Indiana—stormed Ireland Ridge yesterday afternoon, captured the Emerald Isle whitewash brush, and turned it full in the face of the dauntless Irish Laddies. The result was confusion—glorious confusion—in the ranks of the enemy, and the final round showed the precious brush safely stored in the line for further use. A final glance at the scoreboard showed: Greenville 3, Wichita Falls 0.

Shindie was chosen by Proctor to turn the tables on the visitors, and it was certainly his day from start to finish. The big fellow had everything, and lots of everything. Wicked curves, dazzling speed, twisting, squirming flatters, and—above all else, superb, amazing control—what else could any pitcher wish for? He did not hit or pass a man, and eleven Irish Laddies were mowed down in front of his assortment of senders. Only one man reached second base—Gibson—and he stole. Two others reached first base, but were left high and dry by their unfortunate teammates.

Joe Bunch pitched great ball also, but his wildness and the errors of his teammates at critical moments swept him into the column which spells defeat. He fanned nine local batters, and allowed three scattered hits. But he overcame two wild pitches at inopportune times.

Both teams supported their twirlers in great style, although Taylor's men of Shindie's pop fly was immediately responsible for two runs, which came in soon after.

In the very first inning Willie for the locals walked, went to second on a passed ball, to third on Wakefield's sacrifice, and crossed the plate when Bunch turned loose a wild pitch.

In the second inning two more were added, a Wilt flew to Farley. Sorry walked, and Dodd walked. Shindie hoisted one to Taylor, and was safe when he nudged it. Willie hit one to the center field fence which Gibson touched with his gloved hand, but could not field. Sorry and Shindie racing across for the final runs of the game. Willie cast anchor at second, where Wakefield's write out left him.

Poor base running lost an opportunity to score again in the last of the seventh. After Wilt and Gibson to Humphreys. Sorry was safe to dumb's error and went all the way to third on Dodd's double which landed only a few feet of clearing the fence in deep center. Shindie walked, filling the sacks with one out. Willie hit one high into the air, and was out because of the infield fly rule. Some confusion ensued, and Haisap, running for Shindie, was caught out second base, ending the inning. The score:

Summary—Double play, Humphreys to Farley; Stolen bases, Gibson; Two base hits Willie, Dodd; Struck out by Bunch 9, by Shindie 11; Bases on balls off Bunch 3; Wild pitches, by Bunch 2; Passed balls Naylor; Sacrifice hits Wakefield. Time of game 1 hour and 52 minutes. Umpire, Leavv.

It is said that this is the first shut out administered to the Irish Lads this year. Let's hope that it won't be the last one. But it's no disgrace to get shut out when as good an excuse as Shindie is in the box against you.

"Slim" Haisap will probably have a try against the Irish Lads today and Jimmy Hancock is the man he will have to beat. With the proper support of his teammates Haisap ought to do it.

As usual Bunch's first two innings out him the game. The locals took every advantage of it, and profited to the extent of three runners and the game.

The sky was very high yesterday and this accounts for two of the three errors made by both teams.

Shindie struck out three men in the fourth inning, although Gibson sandwiched a hit in between the first and second outs.

Salazar outgassed Shindie when he got his single in the eighth inning. He ran out of his box and hit a foister. Had the ball been fast he would have indignantly fanned.

Gibson's steal of second was so unexpected that he easily beat the throw. It's that kind of base running that counts.
